

Household Hazardous Waste Disposal Game

Activity E.e worksheet 1

Class Arrangement Options For Game

Rules

1. Each team has ten hot potatoes, ten household product name stickers, and a pile of warning word stickers to attach to the potatoes.
2. The team has a twenty-five second time limit to place the product name on the potato, apply the proper warning stickers and place the potato in the proper depository.
3. A designated team member applies the household product name sticker and the appropriate warning label(s).
4. If the potato is not in the depository at the end of the time limit, the person holding the potato must keep it at their desk. (This represents littering.)

Keeping Score

- One point for each proper warning sticker for each product.
- Two points for placing the potato in the proper depository.
- Two points are deducted for placing the potato in the wrong depository.
- Two points are deducted for littering.
- One point is deducted for applying an incorrect label.

The team with the most points after the disposal of all ten potatoes wins.
