

Reuse It or Lose It

Activity Worksheet
Activity P.q
Grades K - 3

Name _____ Date _____

Directions: Below is a picture of a landfill. In this landfill are things that were thrown away that could have been recycled. Decide which item from the landfill could have been used to make each item listed in Column B of the table. Write the landfill item in Column A.

Column A	Column B
Item Found in a Landfill	Products That Could Have Been Made
1.	Paper towels, napkins, tissues
2.	Soda cans
3.	Fertilizer
4.	Carrying crates for 2-liter soda bottles, rope, toys, sails
5.	Fiberfill insulation, bottles
6.	Paving material for playgrounds and tracks, carpet padding, wire and pipe insulation
